

The Mid-Carolina AHEC Family wants to thank each and everyone of you for helping us transition this year. With a new database, COVID-19 restrictions causing us to work from home and move courses from LIVE in-person to an online platform, things have not been easy. However, having our members/participants that understand that this has been hard for everyone and therefore been patient with us, it has truly helped this tough year go a lot smoother around the office.

So, we all want to say Thank you and Merry Christmas from our family to yours!

Warmest wishes,  
Mid-Carolina AHEC

**Please remember our office hours for the upcoming Holidays:**
