## LEARNING OUTCOME:

This program will provide an overview of atraumatic care, family centered care, developmental levels and pain management in the pediatric population. At the completion of this program, the learner will list the common respiratory and cardiac issues and discuss management for each.

**Cancellation Policy:** Registrations are accepted until class is filled. Registration assures placement, materials and notification if class is canceled. Registration is not complete until money is received along with the registration form. Written cancellation received two (2) weeks prior to the program date will result in a 50% refund. Cancellations received later than two weeks prior to the program, or failure to attend the program, are not refundable. Your responsibility is to notify staff development if you cannot attend. Substitutions are permitted.
