## Course Materials

### NEW! TNCC, 8th Edition, Student Workbook and Study Guide

The Workbook and Study Guide provides the TNCC learner with a number of useful learning aids. It includes a Trauma Nursing Process (TNP) reference and a general TNP document perfect for review and preparing for testing. It also includes TNPs for each teaching station/scenario, making it easy to follow along and take notes. Finally, it includes copies of the instructional PowerPoint slides with space for notes alongside each slide. These valuable resources will guide your learning and studying.

## Prerequisites

Participants must be an RN and possess a current unrestricted nursing license to receive verification. LPNs and paramedics are eligible to attend all portions of the course except for the written and psychomotor valuations.
