

2nd Annual Sweet Science Conference

*Sweet Science:
Engage, Encourage, Empower and
Inspire Children with Diabetes*

**April 5-6, 2019
Hilton Myrtle Beach Resort
Myrtle Beach, South Carolina**

Conference Overview

The 2nd Annual Sweet Science Conference is a partnership between Mid-Carolina AHEC and the South Carolina Youth Diabetes Association (SCYDA). The conference will focus on diabetic education for pediatric nurses with a concentration on school nurses. Certified Diabetes Educators and other healthcare professionals that work in this area are encouraged to attend. Attendees will have a unique opportunity to participate in hands on sessions that explore the latest in diabetes technology.

Planning Committee

Chris Houk, MD, Chairman & Treasurer of SCYDA

Traci Scott, RN, CDE, Secretary of SCYDA

Rebecca Jackson, BSN, RN

Katelyn Bailey, CPD Coordinator

Cheri Plyler, MBA

Pam Harper, AS

Rose Mary Cauthen, CPD Assistant

Continuing Education Credit

NURSING: Mid-Carolina AHEC, Inc. is an approved provider of continuing nursing education by the South Carolina Nurses Association, an accredited approver with distinction, by the American Nurses Credentialing Center's Commission on Accreditation.

AHEC: This program is approved for continuing education by Mid-Carolina AHEC, Inc. and meets the SC AHEC Best Practice Standards.

**No partial credit will be given.
Full conference agenda on page 6**

Pre-Conference

Friday, April 5, 2019 from 9:00am to 11:00am

Cost: \$35.00 (Space limited)

At the Pre-Conference you will experience Diabetic Technology through hands on training and lecture. Participants will be able to use bolus screen/history screen, find insulin on board on pump, do basic pump trouble shooting: identify malfunctioning sites, check time and date in settings; identify basic CGM patterns, understand the use of arrows; and a brief demonstration for the correct use of phone apps to assist children/families with diabetes.

This nursing continuing education activity, approval #1510-040-PR-338, has been approved for **2.0** hours. This program is approved for **0.2** AHEC CEU's.

Let's Practice

At this year's conference, you will be given a unique opportunity to build confidence and strengthen your skills. There will be six stations set up throughout the conference. You will have an opportunity to visit each of the stations where you will be able to practice and ask questions. We will also be discussing some of the latest trends in diabetes technology.

Hands on Sessions:

- Fingerstick glucose
- Insulin Injections: syringe and vial, insulin pens
- Continuous Glucose Monitors
- Insulin Pumps
- Glucagon Use
- Checking for Ketones
- Case Scenarios (Topics TBD)

This nursing continuing education activity, approval #1510-040-PR-339, has been approved for **2.0** hours. This program is approved for **0.2** AHEC CEU's.

Speakers

Tracey Craig, MA has practiced individual counseling and psychological assessment for over 20 years. She earned her undergraduate degree at Clemson University, and a Masters degree in Clinical Psychology from Western Carolina University. She currently works as an evaluation psychologist for the SC Department of Juvenile Justice and is adjunct faculty at USC Union and USC's Palmetto College.

Benjamin Adam Dennis, MD is an Adult Endocrinologist in Columbus, Georgia. He completed his medical training at Medical College of Georgia in Augusta and has volunteered at diabetes camps around the southeast for the past decade.

Chris Houk, MD is a Pediatric Endocrinologist in Augusta, Georgia and is affiliated with Children's Hospital of Georgia Augusta University. He received his medical degree from the University of South Carolina School of Medicine. Dr. Houk is the Medical Director for Camp Sweet Escape and serves as the Chairman and Treasurer for SCYDA.

Remberto Paulo, MD is a Pediatric Endocrinologist in Charleston, South Carolina and is affiliated with the Medical University of South Carolina. He received his medical degree from the University of the Philippines College of Medicine.

Speakers

Elizabeth Hyatt, Esq. is an attorney in Lancaster, SC. One of her primary practice areas is in helping parents of children with special needs obtain appropriate services and accommodations in schools. Elizabeth has a BA in Special Education from Converse College and a law degree from the University of South Carolina. She has been practicing law for twenty-six (26) years.

Traci P. Scott, RN, CDE is a nursing graduate of the Presbyterian Hospital School of Nursing. She is a Certified Diabetes Educator and also a Certified Pump Trainer for Animas, Omnipod, and Tandem. Traci is the CDE at Children's Hospital of Georgia Augusta University. She enjoys volunteering with the South Carolina Youth Diabetes Association and Camp Sweet Escape. Traci serves as the Secretary for SCYDA.

Mark Vanderwel, MD is the Medical Director of Pediatric Endocrinology and Diabetes Specialists in Charlotte, NC. He did his undergrad at Macalester College in St. Paul, MN; Medical School at Michigan State University; Residency in Charlotte, NC; and fellowship at University of Texas Southwestern in Dallas, TX. He has been practicing in Charlotte since 2005 and became the Medical Director of the practice in 2012.

Christopher W. Wimberly, MD is a 1995 graduate of Wofford College, a 2000 graduate of the Medical University of South Carolina and completed his Family Medicine residency at Spartanburg Regional Medical Center in 2003. Currently he is employed by the U.S. Department of Veteran Affairs in Primary Care. His passion for Type 1 Diabetes was inspired when his son, William, was diagnosed in 2008 at the age of 3. He enjoys volunteering at diabetes summer camps and raising awareness and funds for T1D.
