## Target Audience

All Health Care Professionals

**Registration  
Deadline  
October 25, 2019**

## Program Description

This program will review best practices information and statistics about the impact of meaningful activities on residents in long term care facilities. As well as explore alternative strategies for more successful resident engagement that addresses barriers and burdens identified. Participants will review anecdotal and research-based examples of difficulties encountered/experienced by long term care staff, residents, and families when attempting to engage residents of all abilities in meaningful activities.

**Cancellation Policy:** Registrations are accepted until class is filled. Registration assures placement, materials and notification if class is canceled. Registration is not complete until money is received along with the registration form. Written cancellation received two (2) weeks prior to the program date will result in a 50% refund. Cancellations received later than two weeks prior to the program, or failure to attend the program, are not refundable. Your responsibility is to notify staff development if you cannot attend. Substitutions are permitted.
