

Pharmacy Technician Update 2020

Kristy Brittain, PharmD, BCPS, CDE

Associate Professor, South Carolina College of Pharmacy/Clinical Pharmacy Specialist, Medical University of South Carolina

Saturday
June 20, 2020

Time: 9:00am-1:00pm

Online Webinar via
WebEx

Target Audience: Pharmacy Technicians

Law: Holistic Therapies & Legal Oversight (9:10am - 10:10am)

ACPE UAN 0062-9999-20-030-L03-T, knowledge-based activity

At the completion of this activity, the participant will be able to:

1. Define complementary, alternative and integrative medicine practices
2. Discuss the regulation of natural products, including associated laws that govern the sale of natural products
3. Discuss legal implications associated with the use and sale of CBD

Medication Safety: Safety of Holistic Therapies (10:10am - 11:10am)

ACPE UAN 0062-9999-20-031-L05-T, knowledge-based activity

At the completion of this activity, the participant will be able to:

1. Identify and discuss potential patient practices that may increase risk
2. Identify credible information resources regarding holistic therapies
3. Discuss safety and efficacy of selected holistic therapies used today

Immunization Update 2020 (11:15 am - 12:15 pm)

ACPE UAN 0062-9999-20-028-L06-T, application-based activity

At the completion of this activity, the participant will be able to:

1. Discuss the collective role of health care professionals in immunization practices
2. Discuss and share recent activity of influenza within South Carolina and the nation
3. Summarize recent changes to ACIP and CDC recommendations for adults
4. Obtain patient-specific information to identify vaccine needs or contraindications

What's New in Asthma and COPD (12:15pm - 1:15 pm)

ACPE UAN 0062-9999-20-033-L01-T, knowledge-based activity

At the completion of this activity, the participant will be able to:

1. Identify new medications and devices for use in asthma and COPD
2. Discuss associated drug information for medications and devices regarding storage, administration, dispensing and adherence
3. Discuss the role of the pharmacy technician in improving patient adherence to asthma and COPD medications

The University of South Carolina College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is accredited for a maximum of 4 live contact hours (0.4 CEUs) for pharmacy technicians.

If attending remotely, participants must sign in via the chat box in the WebEx platform, and participants must participate in all active learning activities and complete all learning assessments via the streaming software in order to be eligible for credit. No partial credit for partial attendance at activities will be issued. Participants must complete online evaluations for each activity within 30 days (providing their correct NABP e-profile number and day/month of birth) in order to have credit reported to the NABP CPE Monitor. All credit must be claimed and reported within 60 days.

Registration
Deadline
June 10,
2020

Consortium: \$15.00
Non-members: \$60.00

Register online @ midcarolinaahec.org

Participants must attend 90% of the program in order to receive a certification of attendance. No partial credit will be given.

Cancellation Policy: Registrations are accepted until class is filled. Registration assures placement, materials and notification if class is canceled. Registration is not complete until money is received along with the registration form. Written cancellation received two (2) weeks prior to the program date will result in a 50% refund. Cancellations received later than two weeks prior to the program or failure to attend the program, are not refundable. Your responsibility is to notify staff development if you cannot attend. Substitutions are permitted.
